Foreword

This section of the service manual contains information about the RAE-3 PDA variants.

Different European language versions of RAE–3* are supported using different keymats and different FLASH software. All other components (modules & mechanics) are identical.

A detailed exploded diagram is available in Section 10, Parts lists.

Country versions

Table 1. Country versions

Product code	Product type	Variant name	Language	Keyboard, code	Swap unit code	Sales area
0630239	RAE–3NA	English	English	EN–QWERTY 9790431	0069281	UK, S/A, Eastern Eur
